Objectively there's really not much to Tanaka-kun, but the show is oh-so-good at what it does! I love it!

STAFF PICK!

OREIMO

If you're any kind of nerd, Oreimo has a character you can relate to. The characters along with their interactions and relationships with each other definitely make this a great show. They are more complex than they seem and fleshed out in an often-funny way. At its core, it is a romantic comedy but beside that it's a fantastic celebration of otaku culture.

RUNTIME / PAGE COUNT

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not yet provided this information.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to produce a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. If we are aware that a title is dub or sub only, it will be noted as such in the product listing.

RELEASE DATES

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our website or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

SPECIAL COLLECTIONS

Certain DVD and Blu-ray items are marked with names such as "Anime Classics," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower prices. However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our website or feel free to contact Customer Care.

MISSING VOLUMES

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our website.

OMNIBUS EDITIONS

An omnibus collects two to four "regular" volumes into one book. Omnibus volume numbers don't always match the regular volume numbers.

PRINT ON DEMAND (POD)

Some books are marked "Print On Demand." This means they are part of the Right Stuff Print on Demand program and are subject to meet orders. The paper quality used is higher than that of "regular" manga, but they may take extra time to ship if we do not have any copies already in stock.

DVD-R

These are DVDs printed to order by the manufacturer. They will play in DVD players that play regular DVDs. Please note that sometimes DVD-Rs will not play on older players.

DVD/BLU-RAY SPECIFIC

WHAT IS REGION CODING?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVD and Blu-ray discs we sell are region coded for the United States.

WHAT REGION IS MY PLAYER?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 0 Region Free
- 1 United States and Canada
- 2 Europe, Egypt, Arabia, Japan and South Africa
- 3 Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 Australia, New Zealand, Mexico, the Caribbean and South America
- 5 India, Africa, Russia and former USSR countries
- 6 China

Blu-ray Region Codes:

- A The Americas, Korea, Japan and Southeast Asia
- B Europe, the Middle East, Africa, Australia and New Zealand
- C Russia, India, China and the rest of world

CAN MY BLU-RAY / DVD PLAY IN A PLAYSTATION / XBOX / PERSONAL COMPUTER?

It depends on the disc. There have been instances of some DVDs or Blu-rays having difficulty playing in certain players. While the vast majority will work just fine, we cannot guarantee all Blu-rays or DVDs will play correctly on your Playstation, Xbox, or personal computer. With Blu-ray disc issues, you might look to see if your player has a firmware update.

WILL A BLU-RAY DISC PLAY IN MY DVD PLAYER?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a device capable of playing a Blu-ray disc.

WILL A DVD PLAY IN MY BLU-RAY PLAYER?

Generally a DVD should play in your Blu-ray player. However, as we are not a hardware manufacturer, we can't guarantee this. Blu-ray player manufacturers often issue firmware updates if there is an issue with one of their players. If you have a problem playing a disc, please check this first.

GENERAL

WHAT'S THIS "GOT ANIME" THING?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, and members-only specials! Read more about the Got Anime Savings Club on page 3.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to log into your account and update your address, or contact Customer Care so that we can update your membership information.

I SAW THIS SHOW THAT I THINK MIGHT HAVE BEEN ANIME. DO YOU HAVE IT?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

WHY ISN'T (TITLE HERE) AVAILABLE IN THE U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation or are just now being shown. Many streaming services offer "simulcasts" where the current season as shown in Japan is available. We do not sell bootlegged products.

WHY DON'T YOU CARRY MANY IMPORTS?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our website, so if you're looking for a particular item, please check our website or contact Customer Care.

WHY DON'T YOU HAVE (TITLE HERE) AUDIO

See the previous question. You also might want to check our website, since some titles are available domestically.

I REALLY WANT TO LEARN JAPANESE. WHAT RESOURCES DO YOU HAVE?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our website, including everything from videos and textbooks to memory aids and intermediate readers.

CAN I SPECIAL ORDER ITEMS THAT ARE NOT ON THE WEBSITE?

Simply put: if it isn't on our website, we can't get it at the moment.

DO YOU CARRY ADULT PRODUCTS?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. We can provide information about these products by request, or you can select adult items on our online website search to review them.

If you would like to receive a printed copy a listing of adult products, you can send a written request to:
